## Valentine's Day: The Top 5 San Francisco Restaurants

View from on high at Twenty Five Lusk.

The "kissing booths" at Twenty Five Lusk (Paul Dyer).

SoMa's latest star, Matthew Dolan, has crafted a fine-dining menu that's both unpretentious and confident. The beauty of his food is in its utter simplicity. Two cases in point: seared diver scallops with cauliflower puree and roasted lobster mushrooms and papardelle with grilled Treviso, baby fennel and braised artichokes. Check the restaurant's website for forthcoming details on his special Valentine's Day menu.
